The Company has considered internal and external sources of information for making said assessment. On the basis of said assessment, the Company expects to recover the carrying amount of those assets and no material adjustment is included in the financial results. The impact of any events and development occurring after the date of financial results for the quarter ended June 30, 2021 may differ from the estimates as at the date of approval of these financial results and will be recognized prospectively. Given the uncertainties associated with nature, present condition and longevity of Covid-19, the company will closely monitor any material changes arising out of prevailing economic conditions and impact of the same on the business of the company (3) This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognized accounting practices and policies to the extent applicable. Beginning April 1, 2017 Company has for the first time adopted Ind AS. March 31, 2021 are the balancing figures between the audited figures in respect of the full financial year ending March 31, 2021 and the unaudited published year to date figures ended Dec 31, 2020, being the date of the end of the third Quarter of the financial year which were subject to limited review.
