

# PMAY houses built at record speed in corona period: PM

PRESS TRUST OF INDIA  
Bhopal, September 12

**PRIME MINISTER NARENDRA** Modi on Saturday said the average time of building a house under the Pradhan Mantri Awas Yojana (PMAY-Gramin) came down to 45-60 days during the pandemic from 125 days as migrants, who returned home during the lockdown, also contributed towards it.

He said under the PMAY, 1.8 lakh houses have been constructed in the country during the lockdown to curb the spread of coronavirus. Modi also called for the need to strengthen the poor in order to end poverty. He was speaking at the virtual housewarming ceremony of 1.75 houses built in rural parts of Madhya Pradesh under

the PMAY scheme.

"The speed with which these houses were constructed is a record. The construction of a house under the PMAY used to take an average of 125 days earlier. But in the coronavirus period, the average time taken for it came down to 45 to 60 days. This is an example of turning a crisis into an opportunity," he said. "This has become possible as the migrants who returned home during the coronavirus-induced lockdown also

joined the work and availed benefits of the Garib Kalyan Rojgar Abhiyaan, under which ₹23,000 crore have been spent on infrastructure and other works," he said. The migrants returned home, got employment under this campaign and this expenditure also helped the construction-related businesses, he said.

"This campaign has helped the rural economy," he said. On the occasion, the PM interacted with some of the beneficiaries of the project. While interacting with Pyarelal Yadav from Singrauli, Modi said, "For removing poverty, it is important to strengthen the poor and this scheme has developed self-confidence in them so that they can sleep peacefully in their house at the end of the day after toiling hard."

## Delhi House panel summons FB India MD

A DELHI ASSEMBLY panel has issued a notice to Facebook India vice-president and managing director Ajit Mohan, asking him to appear before it on September 15 in connection with complaints about the social media platform's alleged deliberate and intentional inaction to contain hateful content in the country.

"Summon was issued on the

basis of scathing depositions of the key witnesses as well as incriminating material submitted by them on record," an official statement stated on Saturday.

The summon by the Delhi Assembly panel on peace and harmony follows a recent *Wall Street Journal* report, which claimed that one of Facebook's senior India policy executives

intervened in internal communication to stop a permanent ban on a BJP lawmaker from Telangana after he allegedly shared communally charged posts.

Last month, FB had said its platform prohibited hate speech and content that incites violence and these policies were enforced globally without regard to political affiliation.

## Recover fine for plastic use from Amazon, Flipkart: NGT to CPCB

THE NATIONAL GREEN Tribunal has directed the Central Pollution Control Board (CPCB) to conduct environmental audit and recover fine from Amazon and Flipkart for violation of environmental norms.

The green panel observed that the statutory regulators were not taking coercive measures, including invoking of "polluter pays" principle for enforcing the statutory norms against the e-commerce firms.

"A report has been filed by the CPCB, which again mentions one or other reasons for not enforcing the law but does not

mention the coercive measures adopted either directly by the CPCB or in coordination with the state pollution control boards," a bench headed by NGT chairperson Justice A K Goel said. "The CPCB can also consider ordering environmental audit against the concerned entities and assess and recover compensation for violation of environmental norms, following due process of law," the bench said.

The tribunal sought an action taken report in the matter before October 14, the next date, by e-mail.

# India votes in favour of UNGA resolution

The country acknowledged the WHO’s ‘key leadership role’ in responding to the outbreak, a reference the US objected to as it opposed the resolution

PRESS TRUST OF INDIA  
United Nations, September 12

INDIA, ALONG WITH 168 nations, voted in favour of a Covid-19 resolution in the UN General Assembly that reaffirms international cooperation to respond to “one of the greatest global challenges” and acknowledges the World Health Organisation’s “key leadership role” in responding to the outbreak, a reference the US objected to as it opposed the resolution.

The Omnibus Resolution on Comprehensive and Coordinated Response to the COVID-19 Pandemic was overwhelmingly adopted by the 193-member General Assembly on Friday, with 169 nations voting in favour of the resolution that recognised the Covid-19 pandemic as “one of the greatest global challenges in the his-

# US budget deficit hits record \$3 trillion through 11 months

ASSOCIATED PRESS  
Washington, September 12

THE US BUDGET deficit hit an all-time high of \$3 trillion for the first 11 months of this budget year, the Treasury Department said on Friday. The ocean of red ink is a product of the government’s massive spending to try to cushion the impact of a coronavirus-fuelled recession that has cost millions of jobs.

The deficit from October through August is more than double the previous 11-month record of \$1.37 billion set in 2009. At that time the government was spending large sums to get out of the Great Recession triggered by the 2008 financial crisis.

With one month to go in the 2020 budget year, which ends September 30, the deficit could go even higher. The Congressional Budget Office is forecasting the deficit this year will hit a record \$3.3 trillion.

While the government has sometimes run surpluses in September, Nancy Vanden Houten, an economist at Oxford Economist, predicted the September deficit would hit \$200 billion, giving the country a deficit for this budget year of \$3.2 trillion.

That would be well above last year’s imbalance of \$984 billion. The previous record deficit for a fiscal year was \$1.4 trillion in 2009 in the aftermath of the financial crisis.

Congress has passed a series of relief bills totalling nearly \$3 trillion that provided support such as a \$600-a-week boost in unemployment benefits, up to \$1,200 in payments to individuals and aid for small businesses trying to retain their workers.

However, many of the support programs ended in early August and efforts to approve another measure to restore the expired programs have so far failed in Congress. That has raised concerns among economists that with so many people still out of work and so many businesses struggling to re-open, the economic recovery could wither by late this year.

The deficit for August totalled \$200 billion, matching

tory of the United Nations”.

The US and Israel voted against the resolution and Ukraine and Hungary abstained. India’s deputy permanent representative to the UN ambassador K Nagaraj Naidu tweeted “India votes in favour of the #COVID-19 omnibus resolution in the General Assembly recognising the pandemic as one of the greatest global challenges that calls for a global response based on unity, solidarity and multilateral cooperation.”

The resolution “reaffirms its commitment to international cooperation, multilateralism and solidarity at all levels and as the only way for the world to ef-

fectively respond to global crises such as the Covid-19 pandemic and their consequences, and acknowledges the key leadership role of the World Health Organisation and the fundamental role of the United Nations system in catalysing and coordinating the comprehensive global response to the Covid-19 pandemic.”

Afghanistan’s UN envoy Adela Raz and Croatian ambassador Ivan Simonovic were co-coordinators of the extensive and wide-ranging resolution, the third adopted by the General Assembly this year on the pandemic that has killed over 900,000 people and infected 28.3 million globally.

the August 2019 deficit and reflecting the fact that with relief programmes expiring, the gains in monthly government spending slowed.

The CBO is forecasting that by the end of this year, the amount of government debt will equal 98% of the total economy and then next year it will exceed 100% of gross domestic product, the economy’s total output of goods and services. That’s a level not seen since the huge government debt buildup in the 1940s to pay for fighting World War II. By comparison, the debt held by the public totalled 79% of GDP at the end of 2019 and stood at 35% of GDP in 2007 before the Great Recession.

Even with huge amounts of debt being added, the government’s interest costs to finance the debt are actually down 10% this year to \$484 billion compared to what the government spent on interest payments last year.

Treasury officials said the lower figure is due to lower interest rates this year as the country went into recession. Through August of this year, tax revenue totalled \$3.05 trillion, 1.3% below the same period last year.

# US signs defence cooperation deal with Maldives

PRESS TRUST OF INDIA  
Washington, September 12

THE US HAS signed a framework for defence cooperation with the Maldives to deepen engagement in support of maintaining peace and security in the strategic Indian Ocean, the Pentagon has announced, as the Trump administration looks for strengthening alliances in the Indo-Pacific to counter China’s growing presence in the region.

The framework for defence and security relationship was signed in Philadelphia on September 10 between deputy assistant secretary of defense for south and south-east Asia Reed Werner and Maldivian minister of defence Mariya Didi.

“The framework sets forth both countries’ intent to deepen engagement and cooperation in support of maintaining peace and security in the Indian Ocean, and marks an important step forward in the defence partnership,” the Pentagon said.

The Indo-Pacific is a biogeographic region of earth’s seas, comprising the tropical waters of the Indian Ocean, the western and central Pacific Ocean. During discussions after signing the agreement, Mariya said the framework will strengthen defence and security cooperation between the two countries, Maldivian portal Sun Online reported. Mariya said that peace and security in the Indo-Pacific and Indian Ocean region is tied to the best interests of both countries. She stressed the importance of bilateral dialogue and engagement, against a backdrop of growing transnational threats such as piracy, violent extremism, terrorism, and illicit trade, which she said re-

mained relevant, even amidst the coronavirus pandemic.

According to a statement released by the defence ministry, the framework outlines a number of bilateral activities, including senior-level dialogues, discussions, engagements, and opportunities in areas such as maritime domain awareness, natural disasters, and humanitarian relief operations, the report said.

Mariya said that the Maldivian government sees the framework as an “important milestone” in defence and security cooperation between the Maldives and the US. Werner and Didi also discussed US support for the island nation in its

# Singapore Convention on Mediation comes into force

PRESS TRUST OF INDIA  
New Delhi, September 12

THE SINGAPORE CONVENTION on Mediation came into force on Saturday and will provide a more effective way for enforcing mediated settlements of corporate disputes involving businesses in India and other countries that are signatories to the Convention.

Also known as the United Nations Convention on International Settlement Agreements Resulting from Mediation, this is also the first UN treaty to be named after Singapore.

“With the Convention in force, businesses seeking enforcement of a mediated settlement agreement across borders can do so by applying directly to the courts of countries that have signed and ratified the treaty, instead of having to enforce the settlement agreement as a contract in accordance with each country’s domestic process,” an official statement said on Saturday.

The harmonised and simplified enforcement framework under the Convention translates to savings in time and legal costs, which is especially important for businesses in times of uncertainty, such as during the current Covid-19 pandemic, the statement issued by Singapore’s ministry of law said.

As on September 1, the Convention has 53 signatories, including India, China

United Nations secretary-general Antonio Guterres

and the US.

According to the statement, the Convention, which entered into force on Saturday, would boost India’s ease of doing business’ credentials by enabling swift mediated settlements of corporate disputes.

“Businesses in India and around the world will now have greater certainty in resolving cross-border disputes through mediation, as the Convention provides a more effective means for mediated outcomes to be enforced,” it said.

Singapore had worked with the United Nations Commission on International Trade Law (UNCITRAL) and other UN member states and non-governmental organisations to contribute to the development of the Convention.

Singapore’s minister for home affairs and law K Shanmugam said the Convention’s entry into force is a significant

milestone, as it further strengthens the international dispute resolution enforcement framework.

“This benefits businesses by providing greater certainty in resolving cross-border commercial disputes, ultimately facilitating international trade and commerce,” he added.

Secretary of the United Nations Commission on International Trade Law Joubin-Bret said that with the Convention successfully entering into force, “we look forward to it bringing certainty and stability to the international framework on mediation, and contributing to the Sustainable Development Goals”.

Over the years, Singapore has set up various institutions to provide a full suite of dispute resolution services for international commercial parties to resolve their disputes in Singapore.

# PMAY houses built at record speed in corona period: PM

PRESS TRUST OF INDIA  
Bhopal, September 12

**PRIME MINISTER NARENDRA** Modi on Saturday said the average time of building a house under the Pradhan Mantri Awas Yojana (PMAY-Gramin) came down to 45-60 days during the pandemic from 125 days as migrants, who returned home during the lockdown, also contributed towards it.

He said under the PMAY, 18 lakh houses have been constructed in the country during the lockdown to curb the spread of coronavirus. Modi also called for the need to strengthen the poor in order to end poverty.

He was speaking at the virtual housewarming ceremony of 1.75 houses built in rural parts of Madhya Pradesh under

the PMAY scheme.

"The speed with which these houses were constructed is a record. The construction of a house under the PMAY used to take an average of 125 days earlier. But in the coronavirus period, the average time taken for it came down to 45 to 60 days. This is an example of turning a crisis into an opportunity," he said. "This has become possible as the migrants who returned home during the coronavirus-induced lockdown also

joined the work and availed benefits of the Garib Kalyan Rojgar Abhiyaan, under which ₹23,000 crore have been spent on infrastructure and other works," he said. The migrants returned home, got employment under this campaign and this expenditure also helped the construction-related businesses, he said.

"This campaign has helped the rural economy," he said.

On the occasion, the PM interacted with some of the beneficiaries of the project. While interacting with Pyarelal Yadav from Singrauli, Modi said, "For removing poverty, it is important to strengthen the poor and this scheme has developed self-confidence in them so that they can sleep peacefully in their house at the end of the day after toiling hard."

## Delhi House panel summons FB India MD

**A DELHI ASSEMBLY** panel has issued a notice to Facebook India vice-president and managing director Ajit Mohan, asking him to appear before it on September 15 in connection with complaints about the social media platform's alleged deliberate and intentional inaction to contain hateful content in the country.

"Summon was issued on the

basis of scathing depositions of the key witnesses as well as incriminating material submitted by them on record," an official statement stated on Saturday.

The summon by the Delhi Assembly panel on peace and harmony follows a recent *Wall Street Journal* report, which claimed that one of Facebook's senior India policy executives

intervened in internal communication to stop a permanent ban on a BJP lawmaker from Telangana after he allegedly shared communally charged posts.

Last month, FB had said its platform prohibited hate speech and content that incites violence and these policies were enforced globally without regard to political affiliation.

## Recover fine for plastic use from Amazon, Flipkart: NGT to CPCB

**THE NATIONAL GREEN** Tribunal has directed the Central Pollution Control Board (CPCB) to conduct environmental audit and recover fine from Amazon and Flipkart for violation of environmental norms.

The green panel observed that the statutory regulators were not taking coercive measures, including invoking of "polluter pays" principle for enforcing the statutory norms against the e-commerce firms.

"A report has been filed by the CPCB, which again mentions one or other reasons for not enforcing the law but does not

mention the coercive measures adopted either directly by the CPCB or in coordination with the state pollution control boards," a bench headed by NGT chairperson Justice A K Goel said. "The CPCB can also consider ordering environmental audit against the concerned entities and assess and recover compensation for violation of environmental norms, following due process of law," the bench said.

The tribunal sought an action taken report in the matter before October 14, the next date, by e-mail.

## Diesel price dips below ₹73

**DIESEL PRICE** ON Saturday fell below ₹73-a litre mark while petrol saw a second reduction in rates in six months, according to state-owned fuel retailers. While petrol price was cut by 13 paise per litre on Saturday, diesel rates dropped by 12 paise, price notification of state-owned fuel

retailers said. Petrol price in the national capital fell to ₹81.86 a litre from ₹81.99 per litre. This is the second reduction in rates in three days. Petrol prices were the first time cut in six months on September 10, when rates were cut by 9 paise a litre.

Diesel price fell to ₹72.93 p-

er litre in the national capital from ₹73.05.

Diesel rates had seen their first drop since mid-March on September 3. Since then, rates have fallen 63 paise. The diesel rates had gone up by ₹12.55 a litre between June 7, when oil firms resumed revising prices in line with cost, and July 25.

# PMAY houses built at record speed in corona period: PM

PRESS TRUST OF INDIA  
Bhopal, September 12

**PRIME MINISTER NARENDRA** Modi on Saturday said the average time of building a house under the Pradhan Mantri Awas Yojana (PMAY-Gramin) came down to 45-60 days during the pandemic from 125 days as migrants, who returned home during the lockdown, also contributed towards it.

He said under the PMAY, 18 lakh houses have been constructed in the country during the lockdown to curb the spread of coronavirus. Modi also called for the need to strengthen the poor in order to end poverty.

He was speaking at the virtual housewarming ceremony of 1.75 houses built in rural parts of Madhya Pradesh under

the PMAY scheme.

"The speed with which these houses were constructed is a record. The construction of a house under the PMAY used to take an average of 125 days earlier. But in the coronavirus period, the average time taken for it came down to 45 to 60 days. This is an example of turning a crisis into an opportunity," he said. "This has become possible as the migrants who returned home during the coronavirus-induced lockdown also

joined the work and availed benefits of the Garib Kalyan Rojgar Abhiyaan, under which ₹23,000 crore have been spent on infrastructure and other works," he said. The migrants returned home, got employment under this campaign and this expenditure also helped the construction-related businesses, he said.

"This campaign has helped the rural economy," he said. On the occasion, the PM interacted with some of the beneficiaries of the project. While interacting with Pyarelal Yadav from Singrauli, Modi said, "For removing poverty, it is important to strengthen the poor and this scheme has developed self-confidence in them so that they can sleep peacefully in their house at the end of the day after toiling hard."

## Delhi House panel summons FB India MD

**A DELHI ASSEMBLY** panel has issued a notice to Facebook India vice-president and managing director Ajit Mohan, asking him to appear before it on September 15 in connection with complaints about the social media platform's alleged deliberate and intentional inaction to contain hateful content in the country.

"Summon was issued on the

basis of scathing depositions of the key witnesses as well as incriminating material submitted by them on record," an official statement stated on Saturday.

The summon by the Delhi Assembly panel on peace and harmony follows a recent *Wall Street Journal* report, which claimed that one of Facebook's senior India policy executives

intervened in internal communication to stop a permanent ban on a BJP lawmaker from Telangana after he allegedly shared communally charged posts.

Last month, FB had said its platform prohibited hate speech and content that incites violence and these policies were enforced globally without regard to political affiliation.

## Recover fine for plastic use from Amazon, Flipkart: NGT to CPCB

**THE NATIONAL GREEN** Tribunal has directed the Central Pollution Control Board (CPCB) to conduct environmental audit and recover fine from Amazon and Flipkart for violation of environmental norms.

The green panel observed that the statutory regulators were not taking coercive measures, including invoking of "polluter pays" principle for enforcing the statutory norms against the e-commerce firms.

"A report has been filed by the CPCB, which again mentions one or other reasons for not enforcing the law but does not

mention the coercive measures adopted either directly by the CPCB or in coordination with the state pollution control boards," a bench headed by NGT chairperson Justice A K Goel said. "The CPCB can also consider ordering environmental audit against the concerned entities and assess and recover compensation for violation of environmental norms, following due process of law," the bench said.

The tribunal sought an action taken report in the matter before October 14, the next date, by e-mail.
